To the Board of Directors
E.L.E.M. Youth in Distress, Inc.

We have audited the accompanying financial statements of E.L.E.M. Youth in Distress, Inc. (a nonprofit organization), which comprise the statements of financial position as of December 31, 2019 and 2018, and the related statements of activities, functional expenses and cash flows for the years then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of E.L.E.M. Youth in Distress, Inc. as of December 31, 2019 and 2018, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Contributions

Contributions received are recorded as net assets with donor restrictions or net assets without donor restrictions depending on the existence or nature of any donor restrictions.

Accordingly, actual results could differ from those estimates.

Promises to Give

Contributions are recognized when the donor makes a promise to give to the Organization that is, in substance, unconditional. Contributions that are restricted by the donor are reported as increases in net assets without donor restrictions if the restrictions expire in the fiscal year in which the contributions are recognized. All other donor-restricted contributions are reported as increases in net assets with donor restrictions depending on the nature of the restrictions.

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2019 and 2018

1) **Purpose of the Organization and Significant Accounting Policies (continued)**

Contributed Services

Donated services are recognized as contributions if the services create or enhance nonfinancial assets or require specialized skills, are performed by people with those skills, and would otherwise be purchased by the Organization. Volunteers provide a variety of tasks that assist the Organization with specific assistance programs, campaign solicitations, and various committee assignments throughout the year that are not recognized as contributions in the financial statements since the recognition criteria were not met.

The Organization was incorporated under the Not-For-Profit Corporation Act of the State of New York and, as such, is an exempt “publicly supported organization” under Section 501 (c) (3) of the Internal Revenue Code.

The Organization is no longer subject to federal or state and local tax examinations by tax authorities for years before 2016.

Cost Allocation

The financial statements report certain categories of expenses that are attributable to more than one program or supporting function. Therefore, these expenses require allocation on a reasonable basis that is consistently applied. The expenses that are allocated include compensation and benefits, and professional fees, which are allocated on the basis of estimates of time and effort.

E.L.E.M. YOUTH IN DISTRESS, INC.

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2019 and 2018

4) **Donor-designated Endowments (continued)**

The Board of Trustees of the Organization has interpreted the New York Prudent Management of Institutional Funds Act (NYPMIFA) as requiring the preservation of the fair value of the original gift as of the gift date of the donor-restricted endowment funds absent explicit donor stipulations to the contrary.

As a result of this interpretation, the Organization would consider the fund to be underwater if the fair value of the fund is less than the sum of (a) the original value of the initial and subsequent gifts donated to the fund and (b) any accumulations to the fund that are required to be maintained in perpetuity in accordance with applicable donor gift instrument. The organization has interpreted NYPMIFA to permit spending from underwater funds in accordance with prudent measures required under the law. The fund is not currently underwater.

In accordance with NYPMIFA, the Organization considers the following factors in making a determination to appropriate or accumulate donor-restricted endowment funds: (1) the duration and preservation of the various funds, (2) the purposes of the donor-restricted endowment funds, (3) general economic conditions, (4) the possible effect of inflation and deflation, (5) the expected total return from income and the appreciation of investments, (6) other resources of the Organization, and (7) the Organization's investment policies.

Investment Return Objectives, Risk Parameters and Strategies:

The donor-restricted endowment fund is invested in Bank Certificate Deposit pursuant to the Organization's investment and spending objectives of subjecting the fund to low investment risk and providing its programs with current income.

Spending Policy:

The current spending policy is to only spend the dividends and interest earned on the investments.

At December 31, 2019 and 2018, the endowment fund is composed of:

Amounts required to be invested in perpetuity	<u>2019</u> \$400,000	<u>2018</u> \$400,000

On August 18, 2016, the FASB issued ASU 2016-14, *Not-for-Profit Entities (Topic 958)—Presentation of Financial Statements of Not-for-Profit Entities*. The Organization has adjusted the presentation of its financial statements accordingly, applying the changes retrospectively to the comparative period presented. The new standards change the following aspects of the Organization's financial statements:

- The temporarily restricted and permanently restricted net asset classes have been combined into a single net asset class called net assets with donor restrictions.
